SAFETY AWARENESS

For the safety of our children, please read the following rules and guidelines when parking and dropping off at Franklin:

1. When **dropping off in the morning** in front of Franklin on Blackburn Road, please do not get out of your car – this spot is designated in the morning for **drop and drive only**.
2. In order to help move the drop off line quicker, please consider **turning right on Colt Road instead of Warwick Road** when travelling east on Blackburn Road.
3. **Do not let your children walk between cars to cross the street** on Blackburn Road or Warwick Road. Always use crosswalks.
4. **Do not double park your car** on Warwick Road to drop off or pick up your child as this creates a back-up of traffic onto the crosswalk.
5. Observe the signs posted by the Police Department. The Police will be enforcing parking regulations around the school and will ticket those who violate the following traffic rules:

You must park at least 25 feet from crosswalks – many people are parking right in the crosswalk causing the children to have to go around the cars and into the street.

No parking, stopping or standing on Blackburn Road in front of the school between the hours of **8am to 9am and 2.30pm to 3.30pm**.

6. If possible, **walk to school**: it's good for the children and it's green!
7. Please **don't idle!** Idling your engine for more than 3 consecutive minutes is against the law in state of New Jersey-not to mention it's a danger to our health.

Attached please find a map with guidelines for parking and drop-off at Franklin. Please share these safety awareness guidelines with your babysitter/relatives if applicable.
