Pajama Program, a 501(c)(3) non-profit, provides new pajamas and new books to children in need. What makes for a good night? For most children, bedtime is a time of comfort, love and security. A time when children crave intimacy with their moms and dads, a few minutes of bonding and sharing in a safe, secure environment. But for the millions of children living in poverty in America, a good night is a luxury they do not often experience.
