

**FROM THE PRINCIPAL'S DESK**

**October 11, 2019**

**Just a gentle reminder that when your child has “forgotten” an item, we do not allow drop off. We realize that, during the early weeks of school, we relax this rule to support a successful transition back into the structure and routines of the day; however, as of Monday – drop off will no longer be permitted.**

**Thank you to ALL of the families who are demonstrating respectful behaviors during drop off and pick up. We are thrilled with the increased signs that the Summit Police Department provided as well as their presence a few days this week. Your decisions and safe habits are pivotal in ensuring that the focus on safety remains in the forefront.**

**Our Franklin students have recently completed a cafeteria survey reflecting how they would like their cafeteria to look, feel and sound. Their responses indicated their awareness of how the environment impacts their lunch period. We are compiling the “data” and will be generating rules for this space in the near future. Stay tuned for updates and information.**

**Remember that, as the weather changes, outdoor recess is a component of our daily routine and may require different clothing including a jacket. Our lost and found is already overflowing!!! Remember to ask your child to check for items and, IF THEY ARE LABELED, we will happily return to the rightful owner!**

**Have a wonderful weekend. J**
