

FROM THE PRINCIPAL'S DESK

October 25, 2019

Thank you to the wonderful volunteers who helped with field day. Mrs. Burr planned amazing, team building activities. The students were engaged and supported shared success with navigating environments while blindfolded, moving cooperatively across the blacktop to move an item from one place to another, successfully having a ball move along short tracks to reach a bowl...well, you get the idea. The students applied both teamwork and problem solving strategies while enjoying a beautiful fall day!

Reminder that Monday is a single session day. Dismissal is at 12:30.

As promised, I am going to publish cars/license plates of vehicles that either continue to park illegally after being warned or those that create safety hazards by either picking up/discharging a child in the street or crossing illegally. This week a silver Toyota, license plate number GSL-7277 had a young student exit their car on Warwick and walk in between parked cars to get to the sidewalk. SCARY!

Halloween is Thursday. The energy generated by our students in anticipation of this holiday impacts the entire week. We ask that you remain aware that instruction continues with lots of new learning planned. Please see your child's Wednesday folder for details about class parties, parades, schedules, etc. REMEMBER: the district has a zero tolerance policy for any item that either is or could be perceived as a weapon. Also ALL food MUST BE APPROVED BY MRS. ZANELLI. No exceptions will be made for student safety.

Enjoy the beautiful fall weekend. j
