

FROM THE PRINCIPAL'S DESK

November 1, 2019

The Halloween Parade and celebrations were a success in spite of the windy and wet weather. Our collection bin for Ronald McDonald House is overflowing and we will continue to collect candy until Wednesday, November 6th! When students trick or treat and share their collection of sweets, the experience provides a genuine, service-based learning opportunity. Thank you for your support!

The week of November 4th is a unique week with the daily schedule. Please be aware that Monday and Wednesday are single session days and school is closed on Thursday and Friday. Tuesday is a day off for our students; however, staff is in district engaging in professional development opportunities and parent teacher conferences. *PLEASE inform the office if your child will be absent.*

As the weather changes and turns cooler, please be sure that your child is dressed appropriately for outdoor recess. We go out unless the weather is extremely cold or wet.

We continue to monitor traffic flow at drop off and pick up. Today I stopped and asked a dark gray Ford Escape to no longer discharge their student in the street on Warwick. This individual was a care provider. **PLEASE** be sure to share these expectations with other individuals that may be responsible for the drop off/pick up of your child.

Please watch your child's backpack for the Parent Visitation Schedule which will take place on November 12th from 9 AM to 11 AM in 20 minute sessions. Signup is required, please check with your child's teacher.

Have a wonderful weekend! J
