

**FROM THE PRINCIPAL'S DESK**  
**February 28, 2020**

**Enrichment is off to a wonderful start thanks to our PTO. The students are busy and engaged in these unique opportunities. PLEASE be mindful of your use of the parking lot during enrichment pick up – SAFETY is always the 1<sup>st</sup> priority and traffic patterns need to be respected as students and parents are crossing at different times. BE ALERT!**

**If you know of a family with a rising 1<sup>st</sup> grade student who is NOT currently enrolled in Wilson Primary Center, please remind them that March is 1<sup>st</sup> Grade registration. They may call the office and set up an appointment with Marty to complete the registration process and launch their educational journey in the Summit Public Schools.**

**Our school community needs your generous support for two major fundraisers this year.**

**Franklin School is hosting the SEF – Spring Fling event – at the Summit Elks on Friday, March 27<sup>th</sup>. Please consider donating to this extremely worthy organization. The Franklin school community has received over \$100,000.00 in direct teacher grants in the last two years. You may contact Melissa Madden to make a donation, or go directly onto the SEF website for tickets.**

**Our annual (and truly AMAZING) Franklin Fair falls on the heels of the SEF fundraiser and the committee is seeking donations for the silent auction. We understand that this is a lot to ask of our community; however, but ask we must to continue to support the many programs that our PTO provides directly to our student community. No gift is too small. We TRULY appreciate your support. Please click on the link in the main page of this newsletter to make your donation.**

**We are putting a small group of interested parents together to debrief the school play and plan for future theatre based experiences for our students. If interested in joining the conversation, please email me directly and I will keep you up to date with a date and time that we will get together.**

**Enjoy the beautiful weekend!**
