

FROM THE PRINCIPAL'S DESK
February 8, 2019

This weekend the Franklin School Community will welcome the student production of Willy Wonka Jr. The students have been working very hard to create a memorable event on Friday evening at 7 PM, Saturday at 5 PM and Sunday at 2 PM. The entire student body and faculty enjoyed the dress rehearsal this afternoon. Thank you to the PTO and all of the volunteers who supported this experience for our students. Break a leg!

On Tuesday afternoon our students were treated to an outstanding performance by the Summit High School Jazz Band. As you know these high school musicians are EXTREMELY talented and were accompanied by soloists performing both jazz and show tunes. After highlighting the various instruments, the director also celebrated the students' diverse accomplishments including academic, athletic and other performance-based activities that set a wonderful example for all.

FRANKLIN HAS HEART will be our theme as we enter into the month of red, valentines, and giving. Our Kindness Crew is busy collecting donations for St. Hubert's and Student Council will be collecting food for SHIP and PJ's and books for the pajama project which donates pajamas and books to children in shelters. Please watch for details as the month progresses.

You may notice some new recycling containers around Franklin School. In collaboration with the scouts, we are collecting plastic wrap, bags, etc. (as defined by anything that stretches) with a goal of gathering a total of 500 lbs. If we are fortunate enough to reach this total weight – TREX will donate a bench, made, of recycled materials, to our school.

Hope to see you at the show!! Enjoy the weekend. j
