RE: Welcome November

THANK YOU to our PTO for an amazing robotics assembly last Friday. The students were engaged and learning....and the entertainment value was also pretty high!! Wonderful experience for all in attendance.

Please remember to check the calendar for the school schedule – especially in the month of November. The elementary schools have half day sessions (12:30 Dismissal) on Monday and Wednesday next week for conferences and Tuesday, Thursday and Friday as days off for Election and Teachers Convention.

If your child is going to be absent, please be sure to contact both the office and your child's teacher.

We were overwhelmed by the generosity of our students with the donations of candy for our troops. Check out both our PTO and district social media for photos and announcement of our "Candy Weight." The number is still growing today so our final number will not be official until next week.

Parent Teacher conferences are always an exciting time. Please be respectful of the schedule and arrive on time for your meeting allowing time for sign in and classroom arrival. Conferences are scheduled for either 15 or 20 minute time slots. We ask that you are mindful of that time frame and respect that another appointment may follow yours. As always, if you find that you need more time, another appointment can be made.

If your family is traveling next week, be safe! If not, enjoy the change in routine and beautiful fall foliage.

Mrs. Tierney
