RE: New to share

- What a week here at Franklin! We are so thankful that everyone was safe after the storm and hope that any recovery our families have had to make is manageable. Please be sure to see information from the district regarding October 8, 2018 which is now a half-day session – for Franklin only – to make up the day.
- A gentle reminder – We cannot accept drop off of forgotten items. We appreciate your cooperation.
- Thank you for your support of our new drop off/pick up format. The bells and clocks are synchronized and students are arriving on time ready to learn!
Please remember:
 - There is NO parking on Blackburn Road across from school during drop off or pick up hour.
 - There is no drop off permitted ACROSS the street from the main entrance of the school.
 - Be aware of parking too close to the corner of Blackburn Place. This not only impedes the line of sight for drivers but also impacts safety of students.
- PICTURE DAY! An exciting day on the calendar every year, picture day creates life long memories for our students and families. (I have my kindergarten and 1st grade picture framed in my office =0)! PLEASE note that there was an error on the flyer. Corrected information will be in backpacks today. The correct date is THURSDAY, SEPTEMBER 27!

Enjoy the weekend everyone!
