

## NEWS FROM

Dear Friends,

Our Morning Opportunities in FLIC will be starting the first week in October. Please read about the opportunities and click on the link to sign up.

- Grades 3-5 Kindness Crew Tuesday Morning  
What is the Kindness Crew? It is a group of children who want to do one or more of the following: help keep FLIC tidy, assist in preparing for special school events that involve the library (author visits, Read Across America Day, and so on), organize drives to help others, lift school spirit, and more. Kindness Crew will meet on Tuesday mornings in FLIC from 7:45 AM to 8:15 AM. Regular attendance is not mandatory. If your child would like to participate we will begin on Tuesday, October 2, 2018. Learners should enter through the 'sneaky' door by the big field. Click [here](#)
- Grade 4 and 5 Techies Wednesday Morning  
Does your 4th or 5th Grade like working with technology such as coding, making iMovies, playing around with

circuits, and so on? Our Techies Group will meet on Wednesdays in FLIC from 7:45 AM until 8:15 AM. This is not a club. Weekly attendance is not required. It is an open time to try new things. Each learner is expected to have a focus. This will be developed with Ms. Stochaj. We will start Techies on Wednesday, October 3rd. Learners should enter through the 'sneaky' door by the big field. - Grade 5 Green Team Tuesday or Wednesday Morning (the group will decide)

We need 5th Graders who want to help Franklin School recycle. This group will organize who will help collect the recycling around the school, how we can help teach others about recycling, and more. We will meet during a recess on Monday, October 1st to decide, as a group, how the team will work this year. All are welcome. Click [here](#)

Our Recess and Lunch Opportunities in FLIC will be coming out soon. Keep your eyes open for them.

Did you notice that your child is bringing home 4 books this year. Check out the Borrowing section on my website. Click [here](#)

Happy Reading.

Loreli Stochaj, School Librarian
