

FROM THE PRINCIPAL'S DESK

October 16, 2020

"Be nice to each other – It's really all that matters."

DIGITAL CITIZENSHIP WEEK – An exciting and celebratory week has been planned by our tech department. Lessons will be presented each day by our classroom teaching staff and dress up themes will support the learning.

IMPORTANT NOTE: PJ Day will be held on MONDAY, OCTOBER 26th, not Friday, October 23rd at Franklin. This shift is necessary to accommodate picture day =0)! Please see your Honeywell notifications for the flyer.

PICTURE DAY – Friday, October 23rd. Please see your Honeywell notifications for the flyer. PTO has also sent information to our families.

Q & A SESSION – Thank you to all of our families who attended our virtual session on Tuesday evening. We had about 42 families logged on to hear responses to questions as well as ask a few questions live. It is always wonderful to have time together.

TECHNOLOGY – has been a bit challenging this week. The district has been working non-stop to address the issues and we all appreciate your patience. Never hesitate to reach out if you have any questions.

FIFTH GRADE CLASSES have moved back to the fifth-grade wing because we are fairly confident that the need for air-conditioning has passed. It will be exciting for the students and staff to be together in "their wing" again.

LIBRARY NOTICES: On MONDAY we will be sending home brightly colored notices **IF** you have outstanding library books from last Spring. PLEASE check and return any books that you find. If you are unable to locate the book(s), the notice includes the replacement cost. Please remit payment as soon as possible so that we may replenish our collection.

Have a wonderful weekend!
