Pajamas and stuffed animals are always welcome.

A couple of brief reminders:

- **LAST CALL** for the **BOOK FAIR**. Here is the link for those that still need to shop. <https://efairs.follettbookfairs.com/guest/home?classCode=M2RG3>
THANK YOU to all of the volunteers and coordinators who made this event possible – even in our current environment.
- If your child is a **virtual learner**, please be sure that they are in the appropriate setting for learning. This means dressed, seated in a quiet area at a table or desk, ready to learn, having had their breakfast. Remember, students are members of our classroom community, even if they are in the digital settings where students can see each other as they engage across environments.
- Mr. Hough has shared a letter this afternoon with our community outlining a transition plan following winter break. As we approach the Thanksgiving holiday, please keep in mind the **travel restrictions** issued by the State as well as guidelines for quarantine. We continue to rely on everyone remaining current and aware in order to keep our school and greater community healthy and safe. As always, if you have any questions or would like clarification of how your plans may impact your student's return to the school environment, please do not hesitate to reach out.
- Just to keep everyone up to date – As of Monday at Franklin School, we have 46 students registered as remote learners with 279 live in our classrooms.

Enjoy the weekend!
