"UNLESS someone like you cares a whole awful lot, nothing is going to get better. It's not."

The Lorax by Dr. Seuss

### **THE FRANKLIN FAIR IS HERE!!!**

A highlight of the year is an understatement as we talk about the fair. The committee has done an AMAZING job putting together this annual (and only) fundraising event for our school community. Remember, your donations not only result in a fun and engaging shared experience for your student, but also may generate a prize while supporting the many, many, many educational and enrichment opportunities provided to our students through the PTO. The auction provides opportunities to participate reflecting a wide range of interests. Some of these items and experiences were donated by our families while others by vendors and merchants that welcome your support. Franklin simply would not be what it is without our PTO partnership and your support of these efforts is truly "priceless."

### *Springing into Service*

We anticipate sharing several opportunities to make donations, generated by our students, in the weeks ahead that support our learners and their growing awareness of needs within our community and beyond. These efforts are being coordinated by both our IDEAS classes (see attached flyer) as well as our Fifth Grade Student community. We appreciate any support that you may be able to provide as we nurture the volunteer spirit and knowledge that even small steps make a big impact!

### **ATTENDANCE NOTIFICATION**

Just a reminder as the weather gets warmer and it is increasingly tempting to be outside in the afternoons....PM school hours are 12:30 to 3:00 PM. We appreciate your commitment to ensuring that your child is in attendance to participate in the instruction and learning that is planned each day.

Have a wonderful weekend! "SEE" you at the fair!
