

From the Desk of Janice Tierney

"If you can read, remember to thank a teacher!"

TEACHER APPRECIATION CELEBRATION

Our week has been filled with expressions of appreciation, gratitude, surprises and TREATS! Thank you to our families and PTO for a fun and memorable week. You made every single member of our faculty and staff feel appreciated and valued while acknowledging their dedication and commitment. These expressions make a HUGE difference and add to the positive climate and culture your children create in our school each and every day.

LIBRARY BOOKS & CIRCULATION

Ms. Stochaj and Mrs. Priscu have done an outstanding job ensuring that our students had access to our Franklin School library collection this year. We will be starting to limit the number of books allowed to go home in order to collect outstanding text and start the annual inventory. Please check all of those favorite places where books "hide" and return them to school as soon as possible.

OUR SERVICE MINDED FIFTH GRADE FALCONS

Our fifth grade "seniors" are sponsoring a food drive to benefit Grace's Pantry. This effort is their final contribution to the community as a class of Franklin students and we are asking for your support. Please see the attached flyer and consider a donation to their effort while feeding a neighbor in our community. Way to go Franklin Fifth Grade!

OPPORTUNITY FOR STUDENT INPUT

On Wednesday all Franklin Families received an email inviting input regarding student placement for the 2021-2022 school year. As you know, we do not accept requests for specific teachers but will consider information about your child's learning style, strengths and struggles. This year, I have also asked if your child has had 2 or more leave replacement teachers in their time at Franklin. You are always welcome to include a request, based upon personal family experience, to not be placed with a teacher (kindly of course). If you choose to share information, the deadline for emails is May 26.

AFTERNOON'S AT FRANKLIN

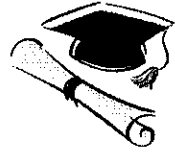

Our absence numbers in the afternoon have taken a significant jump this week. Again, PLEASE remember that our afternoon sessions - including meeting with the teacher and specials - are not optional. They are an expectation of the school day and should be treated as if the learner is still in the school building.

A favorite Mother's Day quote...

"Nothing is truly lost until your mom can't find it!"

Happy Happy Mother's Day to all.

Mrs. Tierney

Please support
FRANKLIN'S 5th GRADERS
in their graduation community service project for

GRACE
(Giving and Receiving Assistance for our Community's Essentials)
