Happy Halloween

What a wonderful return to "as normal as possible" as our students paraded around Franklin this afternoon. This experience was made even more pleasurable by the cooperation of every member of our parent community as they observed boundaries and ensured a safe walkway for all of our students and faculty. Thank you all for making this a memorable afternoon!

Reminders

TRAVEL – Please refer to the district or Franklin Health Office page for the latest guidelines around travel including testing windows and return to school information. We do not provide assignments for students to complete during family travel. Remember, reading a good book is always an option!

CONFERENCES – You have been scheduled for a parent teacher conference in collaboration with your child's teacher. We ask that you arrive promptly to these important appointments as your end time will remain the same. Conferences are scheduled back to back and we do our best to respect the established schedule for all of our families.

KINDNESS CREW CANDY DONATION

Monday and Wednesday of next week, our Franklin School student led Kindness Crew will be collecting candy for donation. Large barrels have been placed in the main entrance of Franklin for students to place any candy that they want to donate to a local charity.

Happy Trick-or-Treating. Please stay safe and enjoy this return to a tradition that has been missed!
