

FROM THE PRINCIPAL'S DESK

April 22, 2022

There is always excitement surrounding the return to school from Spring break...it means we are in the final stretch of the school year with lots of things to look forward to while also looking ahead to planning for the 2022-2023 school year.

CLASS PLACEMENT & PARENT INPUT

Yesterday, in a separate email, I shared an invitation for you to share thoughts and input as we begin to formulate class lists for September. Please remember that we do not accept requests for specific teachers. This is an opportunity for you to express your child's learning style, academic needs as well as any social/emotional concerns. Please see the email blast sent yesterday for additional details.

MOVING?

If you are planning to move either out of Summit or out of the Franklin district during the summer months, please let Mrs. Napoles know of your intention. This allows us to complete the necessary paperwork to support forwarding the appropriate information and records to your child's new school.

FIELD DAY is WEDNESDAY (Rain Date: Thursday)

Such an exciting annual tradition will make its return (again) following the rescheduled date due to rain. Fingers crossed we will be able to enjoy this fun filled day. Remember, we will enjoy a "whole school" lunch, outdoors from 12:30 to 12:55 PM with families welcome. We ask that any guests/family members leave school grounds for the field day celebration and dismissal will follow established procedures.

WE LOVE OUR DOGS.....

But not the waste that is being left on our grounds and field. We realize that this may not be any of our Franklin families; however, the increase in the amount of waste that our custodial team and staff are collecting daily has dramatically increased in recent weeks. PLEASE remain mindful of the student use of these fields and, if you are comfortable, any gentle reminders to anyone you may see not picking up after their pet, would be welcome.

...and our **FRANKLIN FUNdraiser** is one week from today! The committee has been working extremely hard putting together this annual event. It promises to be an exciting, fun-filled evening.

Join us!! Your presence creates life-long memories for your child while providing support to the entire Franklin community through your participation and donations.

Have a lovely weekend! j
